<tr>
<td>1</td>
<td>We would like you to clarify whether Crushed Sand will be allowed to be used instead of river sand as there is a High Court ban on sand Mining across Maharashtra State. We would appreciate an early reply as we will have to consider the same while bidding for the above mentioned tender.</td>
<td>Crushed stone sand manufactured by crushing approved quality stone using Vertical Shaft Impactor (V.S.I) process and conforming to IS 383 (Latest ) will be permitted for Civil works in place of river sand. The fine aggregate for Concrete work shall be of Grading Zone II and III and the maximum permitted percentage passing through 150-micron sieve shall be 3.00 % only. In case of other Civil works like masonry, plaster etc. the grading and sieve retention shall be as per IS and as directed by the consultant and Engineer In charge. The testing of the aggregate shall be carried out at specified frequency as per relevant IS or as specified in the tender document.</td>
</tr>
<tr>
<td>2</td>
<td>The lift Vendors like OTIS, KONE &amp; JOHNSON Which are in your vendor list are not giving proper response and their quote is yet to receive till date and as per lifts vendors they need another 10 days. So please extend the date of submission by further 10 days from 09.10.2010.</td>
<td>With a view to allow sufficient time for detailed market study and to quote most competitive rates, the date of submission of the tender is rescheduled to 21.10.2010.</td>
</tr>
<tr>
<td>3</td>
<td>Our team is working on above work to complete the task within the stipulated time but the tender has various specialized items for which we need some time to approach the parties and get the right quote. As you know the project also has works for which various quotations required from various vendors and it is a time consuming process. Hence we request you please extend the tender submission date on 21st Oct 2010 from the current date of submission to achieve the good and competitive quote for such special and prestigious project.</td>
<td>With a view to allow sufficient time for detailed market study and to quote most competitive rates, the date of submission of the tender is rescheduled to 21.10.2010.</td>
