**Total Price**

**Rupees in Words**

**Note:**

1. Warranty period should of minimum one year or as per manufacturer’s policy whichever is more.
2. One **additional** set of cartridges (of all colors) should be provided during the time of installation, apart from cartridges supplied with the plotter.
3. Price of the additional cartridges should be mentioned explicitly above and should be added in the total price.
4. Detailed specification for the above item (Annexure-II) to be provided. Attach separate sheet if necessary.
5. The bidder shall quote each and every item and the amount in unit price column and total price column is to be written both in figures and words.
6. The Warranty should include onsite and remote support.
7. The product cost should include warranty cost as well.
8. The bidder should fulfill the pre-qualification criteria as mentioned in the tender notice.
9. All items and components for successful implementation should be included.
10. The total price quoted should be inclusive of all taxes and duties, VAT, service tax etc and other incidental charges such as travel, boarding, local conveyance, infrastructure requirement, installation charges etc.
11. All assumptions considered by bidder while quoting must be explicitly indicated.
