Notes:
1) The rates quoted/mentioned above shall be inclusive of all taxes, duties and freight charges etc as applicable on FOR site delivery basis (i.e. Engineering Projects (India) Limited, Construction of Phase-II Project Work (Part-I) in Tripura University, Suryamaninagar, Agartala, Tripura) against ‘C’ form to be issued by EPI.
2) Unloading of cement at site shall be by the buyer.
3) Cement shall be made as per site requirement of up to 200 bags at a time.
4) Quantity variation: upto +/- 20 %
5) Material test certificate for 3 days, 7 days and 28 days (of the manufacturer) shall be provided for each batch. However, EPI shall be at liberty, as part of its contractual obligations with the client, to get each batch of cement supplied by the supplier tested by another independent laboratory. In case, the results of such tests do not meet the acceptance criteria as set out in the relevant BIS code, the batch will be rejected and the supplier shall remain bound to replace such rejected cement with fresh batch of cement of matching quantity to the site within the time as intimated to him at his cost.
6) Lots and quantity varying between 200 bags to 800 bags will be provided to the successful bidder.

Signature of Bidder with seal
