Cement and reinforcement steel shall be procured by EPI directly from the Manufacturer / Dealer and shall be issued to the contractor and the actual cost of material (total quantity) shall be recovered from the next RA Bills of contractor. Permissible wastage / excess consumption of cement and reinforcement steel calculated as per CPWD specification shall be recovered at actual cost / rates of procurement by EPI and any wastage beyond this permissible limit shall be recovered at double the market rates. Unloading, proper storage of all the materials procured by EPI shall be the responsibility of the contractor. In case contractor fails to take action for unloading or proper storage of material brought to site by EPI, the same shall be arranged by EPI at the risk and cost of contractor. In case there is delay in supply of material by EPI, the contractor will have no claim on its account. In case of non-supply of materials by EPI due to any reason, the party may be permitted to procure the materials with the prior written approval from EPI and the same shall be reimbursed or paid to the supplier on their behalf. Recovery for the same shall be made from RA bills on consumption basis.

The contractor shall submit RA Bills / Pre-Final / Final Bill along with the reconciliation statement of materials and no payment shall be released to the contractor in absence of such documents. Excess consumption shall be recovered at the rates mentioned elsewhere in the contract.

Consumption of materials shall be calculated as per the provision of contract / specification / standards and the contractor shall solely be responsible for any additional or less consumption of materials. In case material is consumed less than that calculated as per the co-efficient of consumption as per the contract / relevant specification / CPWD Norms, the contractor shall identify the portion of work / whole work where material consumed is less than that specified above and dismantle such work and redo the same at his own cost.

In case contractor fails to identify the work where material has been consumed less than that specified in the contract / relevant specification / CPWD Norms, EPI/Client shall take decision to identify the portion of work / whole work where material consumed is less than that specified above and dismantle such work and redo the same at the risk and cost of contractor.
Requisition for issue of material to be submitted to EPI atleast 15 (fifteen) days in advance and the contractor shall make close co-ordination with EPI officials in this regard till material is received at site. Non-issuance of material by EPI shall not be the reason for extension of time. In case delay in procurement of materials by EPI, contractor may be procure the required materials by themselves and amount shall be reimbursed on submission of tax invoice on delivery at site.

6. In the event of award of “Works”, PARTY shall submit to EPI, Cross Demand Draft from a Nationalised Bank / Scheduled Bank towards Security Deposit cum performance guarantee @ 2% (Two Percent Only) of the contract value of the accepted tender within 15 days from the date of LOI shall be valid upto the defect liability period failing which EPI at his discretion may revoke the LOI & forfeit the EMD furnished along with tender.

7. The final bill payment to the PARTY shall be released only after receipt of corresponding payment from client and when PARTY submits Sales Tax /VAT clearance certificates, EPF clearance certificate, all other clearances, approvals, certificates etc. as per agreement of EPI with the client for the “Works” and as per statutory requirement.

The party shall have no claim on EPI in case the payments are delayed by the client due to any reason whatsoever.

8. Escalation: No Escalation

9. Mobilization Advance: Nil

10 RETENTION MONEY - Clause no. 10.0 of GCC shall be modified as under:-

   The retention money shall be deducted from each running bill of the Contractor at 5% (five percent only) of the gross value of the Running Account. The Retention Money shall be refunded to the Contractor after expiry of defects liability period or on payment of the amount of the final bill whichever is later. The amount of Retention Money deduction in cash can be refunded to Contractor against submission of Bank Guarantee of equivalent amount from a Nationalised bank / Scheduled Bank.

11. The PARTY shall be fully responsible to complete the “Works” in workmen like manner to the satisfaction of Client and EPI by maintaining high standard of quality and precision as per ‘Tender documents’, Agreements, Terms & Conditions, Specifications, Drawings etc., within the contractual completion period and within their quoted rates/amount. In case Client reduces or increases scope of work related to PARTY’s portion of work, the same shall be binding on PARTY and the PARTY has to execute the same at rates paid by the Client less EPI’s markup.

12. The PARTY shall be responsible for timely completion of the “Works” within the contractual completion period. Total Liquidated Damages/Compensation for delay, if any imposed /deducted from EPI’s bills by Client shall be recovered from PARTY’s bills or other dues. Otherwise, Liquidated Damages / Compensation for delay shall in general be governed by the relevant clauses of GCC.

13. Issues related to interpretation and claims, if any, related to PARTY’s scope of work, arising out of contract between EPI and Client shall be referred with full justification by PARTY to EPI for settlement with Client including arbitration with Client, if inescapable, and outcome of such a settlement shall be binding on PARTY. EPI at its option may associate the PARTY in the above process of settlement for PARTY’s portion of work. The cost & expenses on arbitration with Client shall be shared by EPI and PARTY in
proportion of PARTY's offer and EPI's mark up towards its overheads & profits. In case the award/settlement with the Client is in favour of EPI, ninety percent of the award/settlement amount shall be shared between EPI and PARTY in proportion of PARTY's contract price with EPI and EPI's mark up towards its overheads & profits. The balance ten percent of the award/settlement amount shall be retained by EPI towards its administrative charges. In case the award/settlement is against EPI, the entire damages/counterclaims imposed, if any, shall be borne by PARTY alone and the PARTY shall have no claim whatsoever against, EPI in such a settlement. Further, EPI shall have no liability towards any claim of the PARTY, which are not paid by the Client.

14. The party shall plan and execute the “Work” in his scope of work in such a manner that the other works, connected with the “Works” of the party, but not included in Party’s scope of work do not get affected / delayed.

15. PARTY shall ensure compliance with all Central, State and Local Laws, Rules, Regulations etc. as applicable or may be applicable during the course of execution, maintenance etc. of the “Works” and shall indemnify EPI against any claim or damages whatsoever on such accounts. The PARTY shall keep EPI indemnified at all times against infringement of any Patent or Intellectual Property rights.

16. **Secured Advance:** Interest bearing (at interest of SBI PLR + 2%) secured advance shall be paid to the party for shuttering material required for the project only. 80% of shuttering material cost as per tax invoice / market value shall be paid on delivery of material at site. Recovery of secured advance shall be made in RA Bills on proportionately per slab for a building.

17. The contractor shall make necessary safety arrangements at site including as mentioned in GCC and indemnify EPI against any consequence of accident at site.

18. All the plant & machineries required for execution of the project are in the scope of the party and the same are to be mobilized at site immediately.

19. **Clauses no: 28.3 of GCC stands deleted.**

20. The bid should be submitted in original documents as issued by EPI or as downloaded from the website www.epi.gov.in or www.eprocure.gov.in. No alteration or correction should be made under any circumstances in the bid documents issued by EPI or as downloaded from the website.

21. If there are any provisions / conditions in these Additional Conditions of Contract, which are at variance with the provisions / conditions of General Conditions of Contract of EPI / Client or mentioned elsewhere in the tender, the provisions / conditions in these Additional Conditions of Contract shall take precedence.

22. The rate quoted by the party is inclusive of constructing temporary approach road to site, fencing, etc. as required for completion of work.

23. The contractor shall have to execute the work in pace and in such a way to facilitate agencies engaged simultaneously for execution of other works required for completion of the Structure / Building. No claim shall be entertained due to work being executed in the above circumstances.
