Subject: "EXPRESSION OF INTEREST FOR "DESIGN, ENGINEERING AND EXECUTION OF OVERHEAD ELECTRIFICATION, TRACTION SUB-STATIONS etc. WITH ASSOCIATED WORKS".

Engineering Projects (India) Limited (EPI), under the aegis of Ministry of Heavy Industries & Public Enterprises, Govt. of India, is one of the Premier Engineering Service Organization in the country engaged in large scale turnkey execution of Multi disciplinary Projects.EPI has executed projects of diversify nature such as Institutional Complexes, Commercial Buildings, Universities, Housing Complexes, Roads, Water Transportation Structures, Canals, Infrastructure Development Works, Industrial plants, Material handling systems etc.

EPI is looking for associate/associates for taking up execution of the Projects involving Railway electrification, traction sub-stations with associated works. EPI invites "Expression of Interest" (EOI) from reputed and financially sound Indian/foreign parties to join hands with EPI for execution of Railway/Other projects involving above works. The Party/parties having the experience in these fields can submit their EOI along with the supporting documents to meet technical and financial criteria as given below.

There can be separate parties for Works (A) or (B). The parties are requested to submit their full experience (not limited to the minimum specified) so as to place the parties in different categories according to their overall experience.

TECHNICAL:

(A) INSTALLATION, TESTING AND CHARGING OF TRACTION SUB-STATIONS.

The Party should have executed, the minimum of

The tenderer should have completed in last 3 financial years i.e. current financial and three previous financial years (with reference to the date of submission of Expression of Interest) at least one single work involving construction of at least two Traction substations (At least 110 kV or higher voltage).

OR

The tenderer should have completed at least one similar nature of work (i.e. at least 110 kV or higher voltage) sub-station for a minimum value of Rs. 7 crores, during the last THREE financial years (i.e. Current year and THREE previous financial years) Definition of similar nature of work: Work of Design, Supply, Erection, Testing & commissioning of new Sub-station of 110 kV or higher voltage, or Work of upgradation/ Augmentation of existing substation of 110 kV or higher voltage, comprising at least commissioning of Power Transformer, Control Switchgear and control panel etc.

Party to submit copies of 'Work Orders" or "Contract Documents", "Completion Certificates"/"Performance certificates issued by Client" for the projects completed in the last (3) years. (2011-2014).

(B) INSTALLATION, TESTING AND CHARGING OF 25 KV OHE INCLUDING SWITCHING STATIONS ETC.
Party to submit copies of "Work Orders" or "Contract Documents", "Completion Certificates"/"Performance certificates issued by Client" for the projects completed in the last (5) years. (2009-2014). The tenderer should have completed in the last five financial years i.e. current financial year and five previous financial years (with reference to the date of opening of tender) at least one single work involving construction of 25 kV Over Head Equipment or similar nature of single work (Electrification of Railway Track) for a minimum of 80 TKM of the OHE work.

**Definition of similar nature of work**: Design, Supply, Erection, Testing & Commissioning of 25 kV, 50 Hz, AC, Single phase, Traction Overhead Equipments, Switching Stations, Booster Transformer Stations and LT Supply Transformer Stations including foundations, structures and all Ancillary Equipments.

**OR**

The tenderer should have completed in the last five financial years i.e. current financial year and five previous financial years (with reference to the date of opening of tender) at least one single work involving construction of 25 kV Over Head Equipment or similar nature of single work (Electrification of Railway Track) for a minimum value of Rs. 15 crores.

PARTIES MAY APPLY FOR 'A' or 'B' or combination of them.

**Historical Contract Non-Performance:**

(i) The party should submit the details of Non-performance of the contract during the last two (2) years. (contract terminated/rescinded due to default of the party)

(ii) The party should also submit the details of all pending litigations (including arbitration). shall in total not represent more than 50% of the net worth.

**Financial:**

(i) The party should be financial sound and submit documents of last five years in support of financial capability along with balance sheet duly certified by chartered accountant.

(ii) The company should be a profit making company and should not have incurred losses for more than 2 years out of the last five years

(iii) The party should have Positive Net Worth throughout the last 5 years.

The party fulfilling the above requirements and willing to associate with EPI for taking up Railway project work in above mentioned fields may submit their Expression of Interest along with their technical and financial credentials of the last five years latest by 09.03.2015 upto 17:00 hrs. along with documents as mentioned above.

EPI reserves the right to accept or reject any or all EOIs or annul this process without assigning any reason and liability whatsoever and to re-invite EOI at its sole discretion. **Joint Ventures/Consortium are permitted** and the credentials of all constituent members of JV/Consortium must collectively meet the eligibility criteria given above. The corrigendum, extension, cancellation of this EOI, if any, shall be published on the EPI’s Official Website [www.epi.gov.in](http://www.epi.gov.in) only.

The Expressions of Interest should be addressed to:
