ADDITIONAL CONDITIONS OF CONTRACT (ACC)

The following Additional Conditions of Contract shall be read in conjunction with General Conditions of Contract. If there are any provisions in these Additional Conditions of Contract which are at variance with the provision of General Conditions of Contract, then provisions in this Additional Conditions of Contract shall take precedence over General Conditions of Contract.

1. Clause no 8 of GCC shall be amended as below: Mobilization advance (as applicable) will be payable as per Memorandum and General Condition Contract. However, the first installment of recovery starts after completion of work of 20% value of the order and is to be recovered completely by the time 80% of the work is completed.

2. As the completion period is less than 12 months, Price adjustment is not applicable.

3. Insurance charges for insurance which will be taken by EPI for the project as per contract with Client shall be borne by PARTY in proportion to value amended work. The PARTY shall assist EPI in follow up with insurance company in case of any claim related to PARTY’s scope of work. EPI is not liable to pay any claim of the PARTY if it is not paid by insurance company due to any reasons whatsoever.

4. Clause No. 45 of GCC is amended as below: The Contractor shall at his own expense and without delay, supply to the Engineer-in-Charge samples of materials to be used on the work and shall get the same approved in advance. All such materials to be provided by the Contractor shall be in conformity with the specifications laid down or referred to in the contract. The Contractor shall, if requested by the Engineer-in-Charge, furnish proof, to the satisfaction of the Engineer-in-Charge that the materials so comply.

The Contractor shall at his risk and cost submit the samples of materials to be tested or analyzed and bear all charges and cost of testing unless specifically provided for otherwise elsewhere in the contract or specifications. The Engineer-In-Charge or his authorized representative shall at all times have access to the works and to all workshops and places where work is being prepared or from where materials, manufactured articles or machinery are being obtained for the works and the Contractor shall afford every facility and every assistance and cost in obtaining the right and visit to such access.

The Engineer-In-Charge shall have full powers to require the removal from the premises of all materials which in his opinion are not in accordance with these pacifications and in case of default, the Engineer-In-Charge shall be at liberty to employ at the expense of the Contractor, other persons to remove the same without being answerable or accountable for any loss or damage that may happen or arise to such materials. The Engineer-In-Charge shall also have full power to require other proper materials to be substituted thereof and in case of default, the Engineer-In-Charge may cause the same to the
supplies and all costs which may require such removal and substitution shall be borne by the Contractor.

5. Clause 45 (1) & 45 (2) of GCC stands deleted.

6. Clause no 28.3 of GCC stands Deleted.

7. The PARTY shall be fully responsible to complete the “Works” to the satisfaction of Client and EPI by maintaining high standard of quality and precision as per ‘Tender documents’, Agreements, Terms & Conditions, Specifications, Drawings etc., within the contractual completion period and within their quoted rates/amount.

8. EPI further reserves the right to instruct the successful tenderer to terminate the work of sub-agency at any time during the contract, if the performance is found unsatisfactory.

9. Notwithstanding anything contained elsewhere in this contract the EPIL upon failure of the Sub Contractor to comply with any instructions given in accordance with the provisions of this contract, may undertake charge of entire work, place additional labour force, tools, equipment and materials on such parts of the work, as the EPIL may decide or engage another Sub-Contractor to carry out the balance of work. In such cases, EPIL shall have the right to deduct from the amounts payable to the Subcontractor the difference in cost of such work and materials **with ten percent overhead added to cover all departmental charges**. Should the total amount thereof exceed the amount due to the Sub-contractor, the Sub-contractor shall pay the difference to the EPIL within 15 days of making demand for payment failing which the Sub-contractor shall be liable for to pay interest at SBI PLR plus 2% on such amount till the date of payment.

10. It is the responsibility of the successful tenderer to exercise first line supervision on the works executed including supervision on the quality of materials and workmanship and to comply with the technical specifications, drawings and bill of quantities. The successful tenderer shall also establish competent site organization technically and administratively to ensure that the works are supervised and well co-ordinated to ensure proper sequencing of construction, and finishing works and to ensure that the overall time schedule is fully complied with.

11. The PARTY shall post minimum one no. Graduate Engineer or Diploma Engineer and requisite no. of supervisory staff at site for day-to-day execution
and supervision of its works etc. during the entire duration of the contract including maintenance/defect liability period.

12. The PARTY shall be responsible for timely completion of the “Works” within the contractual completion period. Total Liquidated
